

Making Disciples: Answers to Jermaine's Video Question

1. He is calling them to follow Him. “Come follow Me”. Following Jesus means that you have received His gift of salvation and have surrendered to His leadership.
2. He is calling them to be changed by Him. “. . . And I will make you . . .” Jesus’s calling is not a calling to be saved and stay the way you are, but to allow Jesus to change you. A disciple is someone who has not only decided to follow but is willing to grow and be transformed by Christ.
3. He is calling them to His mission. “Fishers of men”. Jesus gave the disciples a purpose. That purpose is His mission to make disciples. He is calling them to reproduce- to make more disciples. He is calling them to grow and mature so they can do the work that He is doing . . . making disciples.
