

Genesis 1, 2:23-25; Psalm 16:6;  
Genesis 18:20

## GOAL FOR THE WEEK

To believe that God's boundaries fall in good and pleasant places (Psalm 16:6).

What do you see as beautiful about God's design for humans in relationship with each other?

What are the parameters of sexual morality that God lays out in Scripture?

Do you believe those parameters that God lays out are for our good? If so, in what ways are they beneficial?

Are there parameters that you struggle to accept?

What does the culture say about Christian morality and sexuality?

## DISCUSSION QUESTIONS

### DIVING DEEPER

Psalm 103:11-12. If you are in Christ, your sins have been forgiven. Do you struggle to believe this truth?

1 John 2:5-6. If anyone obeys God's word, God's love is in Him. We must walk as Jesus did. What does it mean to love God and obey God in the area of sexuality and morality? How can we put love and obedience of the Lord into practice as we interact with the world?

Psalm 16:5-6. How are God's boundaries good and pleasant in marriage and in singleness?

Ephesians 5:21-33. How does marriage point to Christ and His church? How should this impact how we view sex?

Romans 12:2. We shouldn't conform to the culture but be transformed by the renewing of our mind. What does this mean in today's culture? How are you guarding against what culture says of sexuality and clinging to the truth of God's Word?

1 John 3:9. What do you think John means that a person will not go on sinning who has Christ? How does this pertain to our sexuality?

Romans 10:3. How do we see people seeking their own righteousness? How does that compare to Romans 10:4 and Christ being our righteousness.

Romans 7:7-20. What is the purpose of the law and how does it point to Jesus? What does it mean that we were slaves? How do we have freedom in Christ?

**HOMEWORK:** Read 1 Corinthians 6:19-20 and think about how your body is a temple and how that plays out in your sexuality. Memorize Romans 12:1-2.

**RESOURCE:** See additional resource sheet for videos, articles, and books to dive deeper into topics relating to morality and sexuality.
