How to Vote With a Biblical Worldview:

We must weigh biblical clarity in how we vote. In our decision making, we give greater weight to issues of Biblical clarity, where Scripture is clear and direct (marriage, care for the poor, abortion, etc). Then we must also weigh practical consequences to our communities, country, and the world.

We should understand that different Christians might weigh these issues in different ways and come to different conclusions based on Biblical convictions. Here is a helpful tool as you consider Biblical clarity around certain issues from the book *Before You Vote* by David Platt.
