## GOAL FOR THE WEEK

Live each day with your destiny in mind.

How would you describe heaven and how would you describe hell?

How does our culture define heaven and hell?

How would your priorities change right now if you lived with your eternal destiny in mind?

Do you ever reflect on your own mortality? If not, why not and if so what are your thoughts about it?

Do you think hell is just? Do you think heaven is just?

## DISCUSSION QUESTIONS

### DIVING DEEPER

Read Phil 3:12-20 How would your perspective on the following things change if you thought about them in light of eternity instead of the here and now: money, success, evangelism?

1 Corinthians 4:18 As believers our destiny and citizenship is in heaven. What does it mean to fix our eyes on the unseen and how does that strengthen us for the present?

What confidence does heaven give you to endure your present sufferings?

Does the reality of hell change your motivation about how you live out your faith?

Read Psalm 16:11. How do you experience the joy we should have in the presence of the Lord right now?

Are you longing for heaven? If not why?

How do you battle your fears with the truth of your destiny?

### PRAYER

Spend time praising the Lord because He has defeated death and conquered the grave and that He goes to prepare a place for us to dwell with Him for eternity.

Repent of the ways you lose your focus on what is eternal and get consumed with the here and now.

Ask God to stir in your heart a longing for heaven.

Yield to the Spirit as he moves your heart.
