SENT

*Making Disciples from
Neighborhoods to Nations*

We Are **ALL** Sent

"Throughout Scripture, we see that God sends His people to proclaim the name of Jesus in our neighborhoods, our city, our country, and to the nations. Mission is not an optional add-on to the Christian life... it is central to who we are.

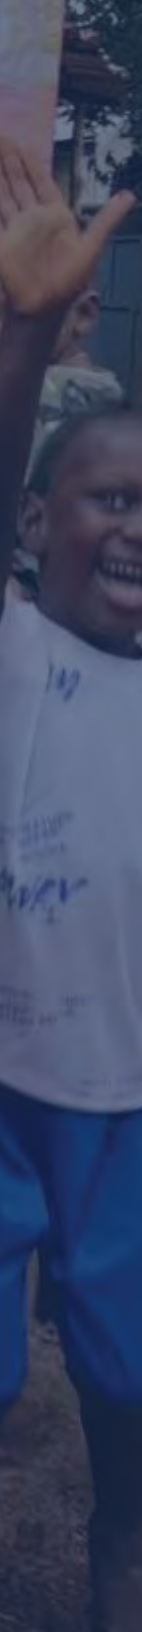

This booklet is not meant to be a menu of programs to choose from, but rather a guide to help you prayerfully discern where God is sending you, whether it is in this book or not. How is He inviting you to make His name known—here and abroad?"

Ross Sawyers

Lead Pastor

"Go therefore and make disciples of all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit, teaching them to observe all that I have commanded you. And behold, I am with you always, to the end of the age."

121 Global Workers

Global Workers (GW's) are individuals or families who are SENT to the nations to live and serve in cross-cultural contexts. While the nature of their work varies greatly depending on location and ministry focus, it is deeply relational, rooted in long-term presence, and centered on disciple-making initiatives among a specific people group for the advancement of God's kingdom. Currently, 121CC has eleven global workers serving around the world, with two additional families anticipated to be sent out in 2026. Join us in prayer over these individuals and consider how you can best get involved in supporting them.

SEND

**"How then will they call on Him in whom they have not believed?
And how are they to believe in Him of whom they have never
heard? And how are they to hear without someone preaching? And
how are they to preach unless they are sent? As it is written, 'How
beautiful are the feet of those who preach the good news!'"**

Romans 10:14-15

How to Help Support

Pray

Prayer is one of the most powerful ways we partner in the mission to be sent, covering every team member, every journey, and every life touched with God's guidance, protection, and provision. Through prayer, we can join together in faith as we ask the Lord to open doors, prepare hearts, and bring lasting transformation through every mission effort.

Mission Trip Donations

Financial support provides a vital pathway for those who are called to GO, but who may face financial obstacles in doing so. Your generosity helps make it possible for others to share Christ's love and meet needs around the world. Through generous giving, we help make it possible for others to answer His call and step out in faith. Every donation provided becomes an investment in lives being transformed for Christ and in the advancement of His kingdom.

To join in on a mission through financial assistance, please visit **[Forms.121CC.com/TripDonation](https://forms.121cc.com/TripDonation)** or scan the QR code.

Global Worker Care Teams

The life of a global worker can be highly stressful as they adjust to living in a new country. They often face the pressures of adapting to a new culture, learning a new language, and navigating changing roles. Family challenges—such as marriage and parenting—can be intensified, while maintaining a devotional life without the support of a local church may feel difficult. Loneliness and the loss of close family and community support further add to the emotional burden.

In response to these realities, 121CC created Care Teams to intentionally journey alongside our global workers. Care Team's are made up of 121CC members who are committed to praying for and supporting those serving overseas. This support takes many forms, including praying for ongoing needs, sending encouraging messages, participating in care trips, and serving as a bridge when global workers return to the States for home assignment. GWCT's offer a meaningful and unique way to be actively involved in global missions from Texas. This is where you can get involved! If you are interested in learning more about Care Teams or signing up to be part of one, please email our mission staff at global@121cc.com

"The harvest is plentiful, but the laborers are few.
Therefore pray earnestly to the Lord of the harvest to
send out laborers into his harvest."

Church Plants & Partnerships

At 121CC, we seek in-depth, authentic partnerships that create true partners in ministry rather than seeking many partnerships that may be more surface-level in nature. We hope that by focusing on quality rather than quantity, the church plants that 121CC invests in will flourish and become church planters themselves, creating a movement of church planting that spreads Jesus' name far and wide. The organizations we partner with help bridge the gap in our efforts to obey the Great Commission, and bring 121CC's mission to life.
